WHO WE ARE

KOLSIT Resourcing Ltd is a **Kenyan-founded** IT talent and solutions company built on a commitment to bridging the technology talent gap with unmatched precision and dedication. We specialize in sourcing, placing, and managing exceptional IT professionals across Kenya, East Africa, and internationally.

We exist to empower organizations by delivering flexible, scalable, and high-impact technology talent and project services that fuel innovation and growth.

OUR VISION & MISSION

VISION:

- To be the most trusted and sought-after strategic partner for IT talent and project excellence across Kenya, the East African region, and globally, renowned for delivering bespoke solutions that consistently meet and surpass international standards.

MISSION:

- To bridge the IT talent gap and deliver tailored technology solutions, enabling our clients to focus on their core business while we expertly manage their specialized IT needs.

OUR CORE VALUES

At **KOLSIT**, our operations are guided by a steadfast set of values that define who we are and how we serve:

- **Client-Centricity:** Your unique needs are at the heart of everything we do. We prioritize understanding your specific challenges to deliver truly tailored solutions.
- **Excellence & Quality:** We are committed to upholding and surpassing global standards in every aspect of our service delivery, from candidate selection to project management.
- **Integrity & Trust:** We build long-lasting relationships based on transparency, honesty, and mutual respect with both our clients and our talent.
- **Innovation & Adaptability:** We continuously evolve our strategies and expertise to stay ahead of the curve in the dynamic IT landscape.
- **Strategic Partnership:** We see ourselves as an extension of your team, dedicated to your long-term success and growth.

WHY KOLSIT?

Experienced Leadership: KOLSIT is led by seasoned professionals with deep expertise in high-level IT recruitment, talent management, and project delivery.

Relationship-Driven Approach: We value long-term, collaborative client relationships—from startups to global enterprises.

Solutions-First Strategy: Every engagement starts with a thorough needs assessment to ensure our solutions fix the root problem and deliver measurable value.

OUR SERVICES

1. Direct Placement

We manage the full recruitment lifecycle to help you build your permanent IT workforce with the right professionals.

Key Features:

- Role-specific analysis
- Strategic sourcing & headhunting
- Screening & candidate curation
- Interview coordination & offer support

Benefits:

- Reduced time-to-hire
- Better cultural fit
- Access to pre-vetted top-tier talent

2. Staff Augmentation

Scale your teams with contract-based IT experts for short- or long-term projects.

Ideal For:

- Short-term skill gaps
- Project acceleration
- Budget flexibility

Benefits:

- Immediate access to expertise
- Reduced overhead
- Flexible resource scaling

3. Managed Services

Full-cycle outsourced management of IT projects, from planning to execution.

Projects We Handle:

- Software Development
- Cybersecurity Initiatives
- System Implementations
- Infrastructure Deployments
- Data Analytics & Reporting

Benefits:

- Dedicated delivery team
- Defined scope and cost
- Strategic alignment with business goals
